I Like How God Made Me

Many children feel just like Howie. They don't like something about themselves. Perhaps they don't like their curly hair, or maybe they have difficulty with some subjects in school. Reading about Howie can help them realize that God has made them for a purpose and God doesn't make mistakes.

Materials:

Book – Howie's Broken Hee-Haw by Josie Siler
God Made Me Worksheet
Pencils
Crayons or markers

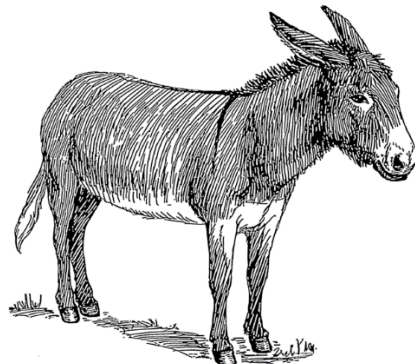

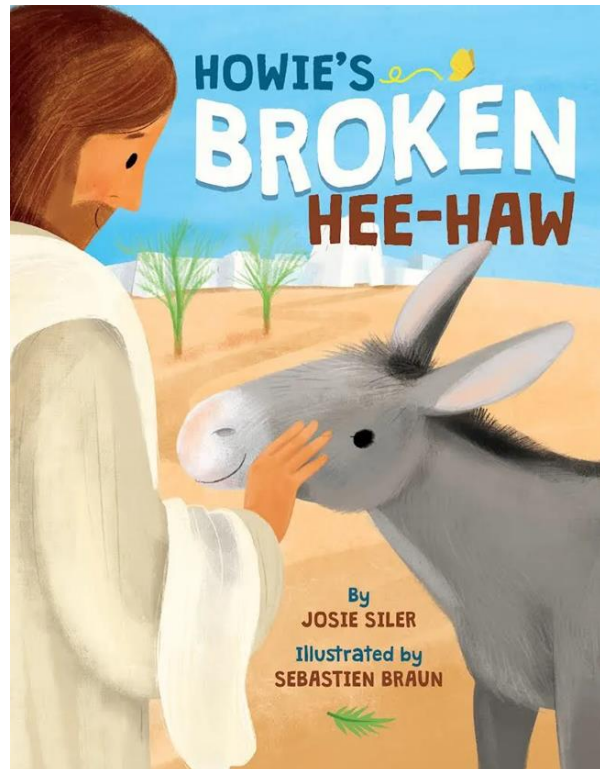

Instructions:

Read Howie's Broken Hee-Haw to the children. When you have finished, discuss the story. Ask the children if they have ever felt like Howie. Is there something that they feel they are not good at doing? Is there something about themselves that they would like to change?

Explain to the children that God made each one of them and loves them just the way they are.

Pass out the God Made Me sheets and lead the children in filling them out.

When they are done have the children share their answers and drawings with you. Discuss how God has made each person different and special.
